

Eversley Ventures Management and Staff

Ian Meikle

Ian Meikle is the Managing Director of Eversley Ventures Inc. He started out life in the British Army, and during his 15 years in the service he was involved in many practical and outdoor activities including unarmed combat, Outward Bound, winter survival in Norway and jungle warfare in Malaysia.

Ian played Rugby and during his career played for the combined services and was a member of the Hong Kong International team whilst stationed with the Army there in 1972. He subsequently played first class rugby with Ayr in Scotland and London Irish in England.

When he retired from playing he took up coaching and has coached successfully at all levels. He has been a founder of 3 rugby clubs during his career and still has a passion for the game.

Ian has around 30 years of international sales experience in the semiconductor and related hi tech industries. He has held several senior management positions, servicing mostly international markets, and worked in Asia for 16 years.

He has previously established several companies in Asia on behalf of US corporations. Ian has experience in planning and directing sales meetings, managing projects, and has planned and directed a variety of training programs in a corporate environment.

Ian moved permanently to the Philippines in 2006 and is now a founder and the Managing Director of Eversley Ventures Inc., a Makati based company focusing on Team Building, training and running events.

Ian believes that the greatest asset a company has is it's people and his focus now is to help them develop the skills that will make them successful and happy in their jobs.

Peter Stevens

Peter Stevens is the Operations Director for **Mindoro Adventures** and is on the board of Eversley Ventures Inc.

Peter lives in Puerto Galera and was Commodore of the Yacht Club. He now runs the small boat program and our Mindoro operations.
